The changing healthcare landscape

Whether navigating through unexpected challenges or opportunities, we can help you to better face human, technology, investment, regulatory, and financial risks and challenges in a fast-changing environment. Transformation is vital to survival and growth.

Our services:

We can help you to have strong management control over financial processes and data to make the right decisions and face the fast changing challenges of the sector.

- Tax and accounting services
- Mergers and acquisitions
- Strategic planning
- Corporate finance services
- Human resources and payroll services
- Governance and risk management
- Project management
- Audit and assurance

Key benefits of our services:

- A human-sized organisation with a customer-focused approach
- A flexible, personalised and quality service with deep technical expertise to meet your needs and expectations
- Dynamic, stable and closer teams with a different mindset promising a timely and reliable response
- A faster response when you need quick and high-quality answers and clarity with access to a collaborative and multidisciplinary team of experts

“We have worked with all types of healthcare clients, including hospitals, nurseries, pharmaceutical laboratories, foundations and personal assistance organisations.”

Grant Thornton Luxembourg

About Grant Thornton

We're a network of independent assurance, tax and advisory firms, made up of 47,000 people in 130 countries. And we're here to help dynamic organisations unlock their potential for growth. We've got scale, combined with local market understanding. That means we're everywhere you are, as well as where you want to be. But what sets us apart is our distinctive client experience which leads to more meaningful advice and a better working relationship.
