

Helping PFS from creation to conversion in a fast-changing environment

Given the growing complexity faced by the financial industry, the success of Fintech and its emerging opportunities, changes in the regulatory environment, Professionals of the Financial Sector (PFS) require more than ever the vision of experts to guide their way forward.

Grant Thornton Luxembourg is dedicated to support you, help your business grow, move forward and face these new challenges, by building bridges between traditional PFS and Fintech.

Agile and responsive services:

- **External and internal audit services**
- **Corporate services:**
 - Accounting services (preparation of journal entries, preparation of CSSF reportings, preparation of financial statements)
 - Tax services (corporate tax, VAT, transfer pricing)
 - Human resources and payroll services (preparation of payslips, optimisation of remuneration package)
- **Advisory services:**
 - Application file preparation
 - Regulatory watch
 - Assistance in regulatory requirements (AML/MIFID II/corporate governance/IT/FATCA/CRS/cloud computing...)
 - Assistance in new regulations' implementation
 - Risk management services (assistance and outsourcing)
 - Anti-money laundering (assistance, training and outsourcing)

Key benefits of our services:

- A deeper understanding of your business for more meaningful advice and recommendations - **we already serve more than 50 PFS in Luxembourg**
- Global presence and a large international network to solve your cross-border needs
- A local dedicated multilingual team with a single point of contact with more time and attention from partners and directors
- A genuine collaborative approach fostering a consistent but flexible service delivery
