Grant Thornton Luxembourg is committed to becoming an eco-friendly participant by supporting companies investing in the use of natural resources and in the field of renewable energy. Our common goals of respect for the environment will create a strong, constructive and profitable relationship between us.

Our services mainly cover:

- Accounting and tax services
- Consolidation & IFRS
- Transfer pricing
- Business consulting and corporate secretarial services
- Financial advisory services
- Business risk services
- Valuation services
- Regulated financial services
- Audit and assurance
- Human resources and payroll services

Key benefits of our services:

- Global presence and a large international network to solve your cross-border needs
- A local dedicated multilingual team with a single point of contact with more time and attention from partners and directors
- A reactive organisation to face the future and to support for the new challenges

“Grant Thornton can support you for setting up financing projects, advise you about laws and regulations in force or changes, and assist you to expand your business or develop new technologies and projects.”
